Product Manual ESSENTIALS 2018

Discover AM Sportswear

Our Story

AM Sportswear may be a new brand, but the company behind it has a long history. The AM Sportswear purpose built factory has been producing high quality and innovative on and off field sportswear to some of Australia's leading sportswear brands for many years.

Our on-field apparel has been worn by Australian national, professional, state representative as well as local sports teams.

At AM we are one of the few Sportswear companies that own the factory, that manufacturers all the apparel supplied to our customers. Not only do we manufacture all our own product, we provide design, sales and customer service from our Australian Scoresby head office and showroom.

AM Sportswear does not promise false expectations and over commitments, that is so common in this industry. You can track your order and get up to date progress reports from our office in Melbourne.

OUR PRODUCT & TECHNOLOGY

At AM Sportswear we are constantly researching, developing and improving our team-wear offerings with continued product innovation.

We are able to offer Cut & Sew and sublimation to all our customers from the one factory, with 35 and 28 day lead times.

AM develops its own patterns and fabrics which enables us to provide our customers with the latest styles and trends as they happen.

OUR COMMITMENT

AM Sportswear is committed to producing high quality garments on time and meeting all the customers' expectations.

AM Sportswear is committed to its social responsibilities in producing high quality garments while assuring humane working conditions for all its staff. We are one of a few Australian companies to have their overseas located factory certified, with the New York based international recognised SA 8000 Social Accountability certification.
